Conformity

STAEDTLER Textsurfer 364 meet the standards:

ISO 11540	“Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety requirements’. Ventilated caps reduce the danger of asphyxiation for children up to the age of 14 should caps be swallowed accidentally.
ASTM D-4236	Tested for the USA by toxicologists from the Art & Creative Material Institute, Inc. (ACMI) The above mentioned products conform to US standard ASTM D-4236.

Usage notes

INK•JET SAFE: All ink colours of the Textsurfer classic are ink jet safe.
The ink dries quickly and provides excellent marking results on print-outs by all widely-used inkjet printers using original ink.
The highlighted text will keep sharp contours and remain clearly legible.

COPY PROOF: With the colours violet and turquoise both highlights and text remain clearly visible on photocopies, too.

REFILL 488 64: Available in yellow, red, pink, blue, orange, green.

Ink easily washable from most textiles.
